

INTERNATIONAL CONFERENCE AND ADVANCED WORKSHOP ON MODELLING AND SIMULATION OF COMPLEX SYSTEMS

to be held at: AFRIGIST Conference Hall, off Road 1, Obafemi Awolowo University Campus, Ile – Ife, Osun State, Nigeria

Under the auspices of

MATHEMATICAL MODELLING OF COMPLEX SYSTEMS RESEARCH GROUP, DEPARTMENT OF MATHEMATICS, FACULTY OF SCIENCE, OBAFEMI AWOLowo UNIVERSITY (OAU), ILE IFE, NIGERIA

AIMS

This international conference aims to contribute to the development of scientists and to bring together the members of the applied mathematics community, interdisciplinary researchers in Physical Chemistry, Physics, Mechanical and Chemical Engineering from all over the nation/world and thus make an essential contribution towards ensuring that science and knowledge contribute to the promotion of a more sustainable environment

This workshop aims to promote the advancement of applicable mathematics in various fields of science and engineering and create an environment to foster interdisciplinary research between the members of the applied mathematics community,

researchers in Chemistry, Physics and Engineering disciplines from all over the world. This will further sensitize younger researchers in applicable mathematics on the prospects and value of collaborative research in the scientific community.

OBJECTIVES

The conference addresses achieving sustainable development and application of computational methods, without excluding experimental and theoretical approaches, as means of validation.

The conference will cover various computational methods, from macro to nano scales, using continuum or discrete mechanics. It also provides a

platform for scientists and engineers to meet in a relaxed environment to discuss new ideas and developments, as well as a good opportunity for young scientists and engineers to explore the art of computational methods and future perspectives.

The training sessions during this workshop will provide perspectives on foundational principles, highlight relevant examples and help in bridging the gap between theory and practice.

REGISTRATION

Conference registration fee of twenty thousand naira (N20,000.00) for academic staff, ten thousand naira (N10,000.00) for postgraduate students and ten thousand naira (N10,000.00) for workshop. Participants from companies will pay conference registration fee of N50,000 (Fifty thousand naira only). African participants will pay USD50 for conference and workshop registration. Other International participants will pay USD100 and USD50 for conference and workshop registration, respectively.

PAYMENT DETAILS

Account name:
firstwwech limited
Banker:
First Bank of Nigeria
Account Numbers:
2040520647 (Naira)
2008337614 (USD)
Swift code:
FBNINGLA

IMPORTANT DATES

Deadlines:

Conference Registration: 30th April, 2024
Workshop Registration: 13th May, 2024
Abstract Submissions: 6th May, 2024
Submission of Manuscript: 15th June, 2024

For information and registration:
<https://icawmscs.net>

Conference & Workshop:

Conference: 27th - 28th May, 2024
Workshop: 29th - 31st May, 2024

Publishing Partners:

- Ife Journal of Science
- Journal of the Nig. Math. Soc.
- Int. J. Info. & Learning Technology
